

- **Expository Preaching** - the careful explanation of the one meaning in the text and its relevance for believers today.
- **Biblical shepherding** - caring for the spiritual and physical needs of the members for the purpose of their maturity in Christ.
- **Church of Jesus Christ** - spiritual organism of God's design and intention to both glorify Him and save spiritually lost souls.
- **Church Discipline** - to ensure the purity of the church and for the purpose of restoration.

- **Participation in the two New Testament Ordinances** - baptism and communion as acts of obedience and remembrance.
- **Elder Form of Church Government** - biblically qualified men entrusted with the care of those in the local church.
- **Biblical Giving** - founded upon four biblical principles: it should be private; it should be voluntary; it should be sacrificial; and it should be generous.
