

ENROLLING NOW for 2017-2018 ☐ SAME DAY PLACEMENT IF SPACE IS AVAILABLE

Our educational philosophy

The educational philosophy of Precious Beginnings Preschool is God-centered and is based on the belief that God's laws, principles, ethics and standards are absolute truth and that the Bible is the inspired Word of God. We teach that Jesus Christ is the Son of God and the creator and sustainer of all things. We believe that each child is uniquely created by God and develops at an individual rate (Genesis 1:26; Psalm 139:13-16). Early childhood is a crucial time for social, emotional, cognitive, physical and spiritual growth. To foster growth, we encourage the development of skills through play and interaction with people and objects in their environments. It is important to provide quality learning experiences within the classroom which are meaningful to the child. Because we believe that children learn by example (Deuteronomy 6:7), our teachers of young children hold a biblical worldview and live a Christian lifestyle in their home, school and community.

Our purpose

- To instill in the child a heart to please God and His Son, Jesus Christ.
- To diligently present the Bible clearly so that it might have its work in the child's life.
- To educate each child as an individual while planning their activities, interacting with them, challenging them and caring for them.
- To understand their responses and support them in meeting their needs.
- To give each child a positive learning experience in early education.

Curriculum

Our curriculum provides a rich learning environment and developmentally appropriate activities. The educational program integrates language, pre-reading, math, science, music, movement, art, fine motor skills and basic truths from the Bible. Our staff will enhance the curriculum with their own special skills and creativity to serve as a foundation for developing Christian attitudes of loving, helping and sharing and an appreciation for God's creation.

Session hours

Classes for three year olds will be held on Monday/Wednesday during the morning session. Classes for four year olds will be held on Monday through Thursday in the morning. Pre-K classes will be held Monday through Friday during the morning session. Morning classes meet from 9:00 a.m. to 11:30 a.m.

Enrollment

Enrollment shall be limited to 15 children in the three-year-old class, 18 children in the four-year-old class and 18 children in the Pre-K class. Enrolled students must have the Application, Parent Contract and a Medical History on file. Children entering the three-year-old class must be three by September 1st and toilet trained. Children entering the four-year-old class must be four by November 1st. Children entering the Pre-K class must be five before November 1st.

Applications for the Fall preschool should be submitted to the office by January 30th for the best placement. Applications received after that will be considered for open enrollment as space allows.

Precious Beginnings offers your child multiple ways to learn, by utilizing centers, STEM activities, outdoor activities, and classroom projects. Each class does a variety of art projects that we display at the art show. For art projects they use a variety of mediums, from model magic sculptures to 3D rainbows to clown and dinosaurs.

Precious Beginnings is blessed to have an outdoor, fenced in, play area that has slides and a tunnel. We also have an outdoor science area, where the children can explore a variety of science topics. There is also a picnic area that is utilized for an outdoor snack time.
