

Teens face many challenges and pressures to conform to the world and turn away from God's good and right way. Rock Solid Ministry is committed to learning God's Word and living its principles. This ministry includes two age groups, a junior high ministry (7th - 9th grades) and a senior high ministry (10

th

- 12

th

grades).

We emphasize the fact that the Word of God alone is sufficient for equipping and growing these students in the Lord. This is why Rock Solid Ministries is committed to systematically teaching the Scriptures. Students come into Junior High as children and leave as young men and women.

Why are we doing what we are doing?

The Bible says "there is none good, no not one" and this includes students in 7th through 12th grades. Scriptures give the desire of God for everyone, that all would be spiritually born again (2 Peter 3:9). Here are three goals which are determined by Scripture:

1. The desire to see repentance of sin and belief in the Lord Jesus Christ.
2. The desire to see students rejoice with confidence in and praise of God (1 Corinthians 10:31).
3. The desire to see Christ fully formed in them, and that they will be used of God to form Christ in others (Colossians 1:28).

The importance of sharing this message of truth with young people, (Christ's righteousness for our sins), is both a privilege and responsibility for all believers.

When you are working on this, you should be able to find the information you need in the text. You should also be able to find the information you need in the text.
